OUR LIBERTY BELL

OUR Liberty Bell whose Mighty Sound,
Traveling the planet of earth around,
Announced Life's Great Call for Freedom True
As Light's All Commanding Voice spoke through
Those Glorious Tones and brought to man
The answer for earth—God's fulfilled Plan
For our Great Country's Power and Right
To be evermore the "Cup of Light."

Our Liberty Bell does still remain
The Focus of Light whose Rays maintain
A steadily pouring Stream of Force,
To stop destruction's onrushing course;
To guard all, sustain and to enfold
America's Heart of blazing Gold;
To give her people God's Justice too
With Life and Light and Great Strength to do.

Our Liberty Bell shall yet reveal
Destruction's crack eternally sealed;
And then shall all see the Unfed Flame
Of Life's Great Word, the "Mighty I AM,"
Blaze forth such Power as none have seen—
Light blasting darkness and man between
Who came from the Light—the Source of Life
And now must be Master o'er earth's strife.

Our Liberty Bell—Our Nation's Voice,
Is Joy and Freedom of man's own choice:
It pours o'er the earth again Its Might
And through the darkness shall speak Its Light—
" 'I AM' the Way and the Open Door"!
" 'I AM' the Light forevermore"!
" 'I AM' the Truth and ever SHALL BE"!
" 'I AM' the Law of Eternity"!

· SAINT GERMAIN'S DISCOURSE ·

Minute Men—Washington, D. C.

May 28, 1939

THANK you, gentlemen, I greet you in the Victory of your Life! I greet you in Its Invincible Power of Action! I greet you with the Power of the Dominion of the Light within you this day!

Beloved brothers of Light, We have taken into consideration so many angles of Life, calling your attention constantly to the simple requirements. You must have observed the many great achievements in five years through the humble efforts of the Messengers and of the student body throughout America. For this illustration, we shall consider just the past six months.

We have observed and have kept absolute accurate Record of the effect of every Group throughout America which has issued these Mighty Decrees, their effect and their far-reaching power. We have not made special effort before to make a record of this far-reaching power but, at the suggestion and desire of your Great Friend, David Lloyd, I allowed to be made these Records, and the accomplishment is a magnificent thing, gentlemen.

Why was there the impulse to establish the Minute Men of Myself in America? and why did they choose and you choose to style yourselves the Minute Men of Myself? It has a far deeper significance than is yet outwardly known. Some day, I shall explain it to you. I wish to charge My own Words into the atmosphere that all this means may go on in its expansion throughout these United States to-day. The two reasons why you are here, gentlemen, are because you loved Me and stood for this

same Perfection of Light in that time long ago, in the seventy thousand year period as recorded in Unveiled Mysteries. You were all there with Me then, serving Life in that government.

Individuals have not known that it is the Light within them which draws them into this Light. It is not just human outer desires for, when you feel it is the Light within you that has drawn you to this Light, there cannot be a thing of human suggestion in the Universe which can turn you aside; because you would know the Authority of Light within you was Supreme. Therefore, the full Glory of Its Power would more quickly take Its Dominion.

Your Great Benefactor, the Archangel Michael, as well as Myself, once reigned in this land. He is also your Friend come forth to re-establish the Dominion of Perfection in America, the only point on the earth where this could be done. Gentlemen, when We make the Statement, that America is the only point where this Freedom can be established, it is made because it is TRUE.

I tried in Europe for two hundred years to establish the United States of Europe. It simply could not be done, because of the accumulated conditions there which mankind would not attempt to correct. What do you think would be the consequences in America now if you, the student body had not given this response to My Call? It would have been exactly the same as it is in Europe. You would have been in the midst of one of the most destructive wars to-day that could express upon this earth. The outer world's condition to-day is the culmination of all destructive forces upon this earth; and if it goes into a final conflagration the world will never know what destruction is until they see it.

To stop this is the thing We are pleading for and are calling the valiant loyal Americans into action to prevent. I feel definitely sure it can be done—because of that which has been held in abeyance. There are many in America who criticize and condemn the mention of the other countries of the earth and their destructive forces. Gentlemen, if America is not made acquainted with the things that are in your midst, the individuals rubbing shoulders with you would kill you as quickly as look at you, if they dared. That is the condition in which you are moving. Do you think I do not know and have prevented many times individuals attempting to destroy these Messengers, when they voice the Truth of Life with such Power.

There are two conditions which mankind resent like fury. One is the Truth concerning the activity of their sex powers and the other is the protection of America that she needs to-day. There are many in America who would shoot this Messenger in an instant, if they dared because he has told the Truth about the sex activity. He has not told mankind what they shall do but he has told them the Truth about it, whether they like It or not.

These are the conditions which this blessed one has faced throughout America these five years. Remember, while the black magicians are all seized and removed from this earth, still their claws in human form must be governed by the Power of this Light and, unless they are controlled, they will open ways to great destruction.

I observe many reports from various avenues, but I pay no attention to that kind of thing. It is what *I know* from My own observation of the

conditions that I am telling you. Since I can go anywhere in the Universe and find out what I want to find out; since there is no opposition to that which I wish to do, so far as gaining information is concerned, then I know exactly what I am talking about.

Time and again I have moved among you. Within six months, I have moved in your city five times in the tangible body, as tangible as your own; and especially in New York, because it was compulsory to release the Power to govern these things. People who sometimes feel a little vicious and who sometimes do not understand, put forth the expression: "Well if these Ascended Masters are so Powerful, why don't They do these things"? My dear beloved brothers of Light, We are free! We have the full Authority and Power at Our Call to give you that same Freedom, but if mankind will not make the call, then they will not have it. We cannot intrude anything into your octave and furthermore We would not do it.

We are making the most tremendous effort to give you your Freedom from all limitations. We have It! Would there be any reason but Love and kindness which would cause Us to want to give It to you? We could go serenely along and let mankind take care of themselves and what a mess they would be in! You do not yet realize the Friends We are to you, much as you love Us; and how I do appreciate your great Love!

Gentlemen, arouse yourselves to the Power of Light that is within you. Let It take Its Dominion and do not give power any longer to outside appearances because everything in the outer world that has the appearance of discord and limitation is but human qualified energy acting through individuals. Please do not hate individuals! Please do not hate conditions! It is true, you must be almost fiercely positive, but you do not have to be unkindly. If you feel unkind, you are again charging your world and defeating the purpose which you wish to achieve.

In the spy activity which is here and in all such conditions, if you begin to hate those people who are spies; if you begin to hate the condition they are creating, you are defeating the very purpose of your call. You can be as positive as you like, but with no feeling of unkindness, which is the Power of the Messengers. They learned that in the beginning of the carrying of this Light. They never release an ounce of unkind feeling but when it is necessary to be positive they certainly are positive—but that does not mean unkindness.

There is so much I wish to do through you and I want you to feel these points, because We are entering into the final battle here in your city. I would not attempt to tell you much of it, but We battle with the Power of Light; and there are some human beings who have been destroyed by their own viciousness. If they insist upon doing it, then it comes about, but We never destroy a human form, remember that! We turn back upon them their own viciousness, and if it is sufficient to destroy the human form the fault is theirs but We will not permit their destruction to go out and destroy those who are calling for the Light. We have come to the point where we can and will give this Assistance to the student body.

Now gentlemen, so far as your individual activity is concerned, if you will give this simple obedience to Life, I can do for each one of you the same as I have done for these Messengers; but

you must be as alert, as pure, as sincere as they are to do It. Then, I can amplify the power at your call and render a Gigantic Service for you; but I cannot do it, if you will not give the obedience required, which is harmony held within your feelings.

I know what you must meet in century after century through charging mankind with the belief in the excess sex gratification which wastes your energy. If you insist on doing it then you cannot have the energy that brings your Freedom. I may not say to you what you shall do. The Messengers do not, but We point out to you the Law. You must abide by It or not; but gentlemen, if you would live in the Purity of Perfection of Life and dismiss those abnormal desires, in a short time you would see exactly what I mean. Then, you would begin to feel a strength and buoyancy, a Power of Dominion that is impossible otherwise. One moment feeling the Current from your Presence charge through your body is worth a life time of sex gratification.

The Law of Life is that the sex is to be used only for pro-creation of your kind. The many still believe that it is necessary for relaxation. What a pity! Sure you relax, because that energy is gone, but you nearly collapse under its removal from your body. Then comes the reaction and unless you understand this Law you are lost in the maze of human desire. Mankind is not alone to blame for that, because the earth is charged with discarnate entities who have passed on through those intense desires. They are still remaining in the atmosphere of earth. Although hundreds of thousands have been removed, yet there are many remaining. If mankind does not hold the Tube of

Light Invincible about them, they will be influenced by those creatures as they pass in the atmosphere of earth.

You can sit down by an individual who has that intense desire and you will feel it act within you in a minute; but if you do not understand, that it is *not* coming from within you, you will not defend or protect yourself against it. The atmosphere of earth is charged with these undesirable qualities and until they are cleared out of the atmosphere of earth, you must move in it. You cannot help it, but you do not have to accept it into your world. You can move in your own Pure Glorious Perfection, if you so choose and so determine, but that is alone within your own province.

I want to give such Assistance and do give it to every one who gives complete obedience; but I cannot say to you that you *shall* obey. I want to give you every good thing. If you have accumulated a sufficient charge of energy about you, when you make your call, it goes forth like a charge of dynamite to render the service you require. Observe this Messenger before you! Since he has charged his feeling world with this powerful intense Energy, ever-increasing, when he makes the call for assistance to individuals, if the individual is sufficiently harmonious, the call is instantly answered thousands of times. If it is not, it is because the individual to whom it is directed is not sufficiently harmonious to allow it to come forth at the moment; but remember, the fulfilment will stand there waiting for the moment when the individual is harmonious enough and it will rush into action. That is the Power of continuous activity in your calls to Life, to Light—the "Mighty I AM Presence."

This is why in your Capital to-day, every ounce of energy is needed to be released to Us, to render this service for your city and for America which is required. Shall I explain to you just what takes place and why individuals in official positions are so often used by sinister activities? It is all hypnotic force. Take an agitator and in the people who do not think for themselves, in ten minutes he can stir the feelings of that group of people into a white heat against the thing about which he is talking. That is mass hypnosis of the feelings of the individuals, because those qualities are destructive.

Those in official places are acted upon by that same vicious force. Have you observed what tremendous attention through instruction has been given to the mental power of the world in the last forty years? Various activities, have drawn powerful attention to the mental power of mankind. If you use mental power alone, you will soon destroy yourselves. *Mental* power is magnificent, when directed by the Power of Light from the heart, but if it is just mental force, it becomes as cold and hard as steel and has no good thing within it. It will originate, generate and create the desire within mankind which makes the individuals abnormally dominant, for such individuals want to dominate everything which comes within their observation. That is what is the matter with many activities to-day.

Why do so many people in certain activities hate these Messengers and this Light? Because this Instruction teaches people to be free from the clawing domination of other human beings, thanks to the Power of Light which has brought This Understanding to mankind; for one day Its

Radiance will spread and all human beings WILL BE as free as the air they breathe. They will have the Perfection of Life flow forth naturally into their world of action and hold Its Dominion there. It has to come, no matter what you have to go through.

If your efforts are not sufficient in calling the attention of mankind to this Light, the most devastating war ever known on the earth will come here. Still, following it there will come the "Peace that passeth understanding" and the Reign of Light upon this earth; but so few will be left that it will take a long time to build up what you could protect and maintain to-day.

Do not misunderstand Me. I am not urging you, but I am speaking about mankind who should take up the Understanding of this Light and apply It for the protection of their homes, their loved ones and America, the Cup of this Light to the world. That is why when I speak of these things, do not think that I am referring to you who are making this sincere effort, who are making your dynamic application, not at all! but I am speaking of the rest of mankind, many whose attention has been drawn to This Work. For one reason or another they will not continue in the activity, except in private, which many of them are doing wonderfully; but for various reasons, business or social reasons, this has not come to quite sufficient dominion so they will step out and say to the world: "I belong to the 'Mighty I AM'." One day they will wish they had.

This Instruction is not a cult, my dear people. It is not a religion. It is the Law of your Life and the Life of every human being on the face of this earth; but if mankind do not want to understand

their own Life and have Its Perfection and Freedom, then no one can impose It upon them but you who have come thus far in this Light know something of what it means. Will you not be more firm, more dynamic in your feeling to release the energy that will bring you your supply or anything else you require and enable you to do whatever your heart desires for the expansion of This Light?

Really, when I have observed the many who have come into This Light and remain in their own positions in the business world to carry Our Light there, it is a wonderful thing because that is where We must have It now. It must come into your industries, your transportation and your productive sources. If you had observed from Our Octave of Light what has been attempted in your America, you would be amazed; and but for Us it would have succeeded. It is still hanging in the balance! Do you understand in the effort to control certain industries of these United States, there was a deliberate intent to destroy your children of America? When I say these things, I know the Law! We observe and can know their intent.

Therefore, do you wonder that We plead for mankind to make their maximum effort in their call to Light, the "Mighty I AM Presence" to prevent these things? Thanks to the Power of Light that thing is failing utterly here in your city. They have attempted the same thing as in New York and Chicago, but here in Washington, they are not gaining one thing. They almost gained their victory in Chicago and but for one there, they would have done it. As you observe in your newspapers, you find that it is not gaining power here. Make your calls gentlemen to annihilate

cause, effect, record and memory of that thing because once the control starts upon your food supply, you have opened the doors to every destructive thing.

In Germany to-day, the people are starving. They have not food enough to keep health in the body in many localities. With the unemployment condition here, you do not know quite what it means. The purpose of that is withheld but you should know that within your land certain forces are trying to prevent sufficient supply of food to sustain your people. That is the thing which confronts you.

In the attempts to curtail and destroy the crops there was a sinister thing of the most drastic kind. When food is dumped and destroyed to hold up prices, is there anything more tragic or sinister in the world? Therefore, the need of these calls to Light for the protection of such conditions is very imperative. I remind you of them that you may call in the Victory of the Light. It must be gained in the food supply. I call it to your attention, to-day, that you may make your maximum effort in your calls, so they may be continued until that whole attempt is destroyed in your city. When it is destroyed here, it will be more easy to destroy it in other places.

When a few individuals govern your food supply, you are in the most dangerous condition that mankind can come into. Then, they can take strength and energy away from you and you are their slaves. That is why those three countries of Europe are nations imprisoned, because the people dare not move out of those countries without the authority of the government and they must return. If that is not imprisonment within a nation,

what do you call it? When some of our American people go there, the individuals of those governments have the record of every one who is coming. They prepare the scene for them and make the pretense of happiness and abundance that they may carry it back here, but they do not deceive Us for one second. I want you to see and realize this.

We have never given you one false word in these reports of the conditions We have brought to you from the rest of the world or the conditions within America. We never shall, but something has to be done to arouse your patriotism, strength, power, energy and loyalty to America so you will stand against those who want to destroy it.

Therefore, remember that the Light in you is the strength, the power, the courage and dominion to release Its Powers at your call to go forth and render this service which is required. Do you know, you who are sitting in this room to-day, with your maximum effort and your absolute feeling of the dominion of your call, could do more for the protection of this city and America than all the rest of the population put together who do not know anything about it because they are accepting the appearance world as authority instead of knowing it has no power? You know how to make the call and to send it forth dynamically through your feeling, that these human conditions and limitations have no power. Then, you are the Authority of Life and it devolves upon you to make your maximum effort. If it fails you are not to blame and never even allow yourselves to feel it. I want every student in America who is loyal, earnest and sincere, to feel that if war

should come to America, do not blame yourselves for one second; for you will have protection that the rest of the world does not even imagine.

Whatever may have been your belief up to this moment, if you have not done so, make the call for your Ascension at the close of this embodiment, whether it comes to-morrow or in fifty years. I have a great Reason for reminding you. We are in a position to assist every sincere student in America and the world to his or her Ascension at the close of this embodiment, if each one will make that call and really mean it. We can do that for every one who is really sincere.

The Messenger gave you last night in class, a magnificent explanation of your Almighty Reality. I want you to feel It. Do not feel that your experiences of this embodiment can prevent it! Call on the Law of Forgiveness, then make your call with all the Authority of Life which flows into your being. Why am I asserting this so strongly to-day, and why shall I impel the Messenger to assert this in the future? Do you understand how great is My Love for you, for the student body of America and the world, and why I urge this? Because I do not want you to remain here in the conditions which would follow a devastating war. Then, do you understand My far-reaching Wisdom in wanting you to be free forever from the conditions that would follow a war of this kind?

You are deserving of Our Help because of your loyal stand to America and the Light. You are deserving of more than ordinary activity and you are having it from within. We cannot help it because many do not see it out-pictured yet. We are doing Our Utmost at your call to prepare you

from within out, which must be done. You cannot be prepared from without in. That would be contrary to the Law of Life.

I have hesitated to say this to the student body of America, but I find it must be said: "The reason why We are urging every student in the land now to call for his or her Ascension, mean it and feel that each one *can* have it, is to open the way so all who are sincere can accomplish it with Our Assistance. Under the new Dispensation, it is possible for every one who is honest and sincere. That means your Eternal Freedom, dear people. It is no idle thing I assure you.

You do not know Me yet, gentlemen. You do not know what I can do for you. When I see any human being loyal to the Light and making such magnificent effort, do you think for one moment I will fail to do for such an one what he or she cannot do for himself or herself?

I know what the conditions are that would follow a war, and if war comes into America, the whole of the earth will be in the most destructive throes that have ever been known or will be known upon this earth. That is why I do not want you to remain, if such a thing comes. I want you to go forth into your Freedom of the Ascension.

Now do you understand, why I have pled for these five years to keep war out of America? I still believe it can be done, but should it not be, We are preparing the way so every sincere earnest student may be free forever with Us, in the Great Octave of Light where you may render a Service never known on this earth. Even with all We have said, We convey but a small part of that which is there.

Those who have come from your midst recently came to Us and observed the Truth which I have told them and which Others have told them from the beginning. We cannot help but keep mentioning your fellow-student, Mr. Kelley of Los Angeles because His Enthusiasm is boundless. His Joy is quite equal to David Lloyd when He gained His Freedom. Oh if you could see Him talking to Us! I never heard such pleading in My entire experience, as that man daily makes to the Ascended Masters for the blessing and protection of his fellow-man and his fellow-students especially.

Since He has seen the Great Truth and experienced what I have said, He pleads constantly. We sometimes are compelled to ask Him to desist for a time. I think He would never stop in the pleading for the student body of America. He felt this for weeks before His Freedom came. His Joy was so boundless in the Perfect assurance within himself that He was going to gain His Victory and of course he hastened it tremendously.

You are living in the most magnificent time in the world, the two extremes of Life—this Eternal Freedom and the destructive powers of humanly qualified energy. So, gentlemen, in leaving this with you to-day, I want you to feel how great is Our Love and Our Gratitude that the Light within you was strong enough to enable you to make your application and intensify your desire for your Freedom; thereby giving assistance to the limit of your power for the blessing and protection of America. Whether it is accomplished or not, you will not be to blame. You have done your part and it could only mean that enough of mankind have not released their energy to accomplish it. Therefore, I want you to understand that you

shall never be blamed. The student body of America who have been honest, earnest and sincere, will not be to blame for whatever comes in the future.

If war should come into America, you would see some spectacles that you never believed could occur in the world. Mankind's efforts are not in vain, gentlemen. Your every effort is a step into that Great Victory and Freedom of the Light. Be firm, be dauntless in your Inner determination! Put forth no unkind feeling of any description, but call the Power of Light to take Its Dominion in your individual world, especially in your body, and give you the Power to make the calls and release the energy which your Life Stream requires you to give. That is all any one can do.

For no two who are in this room, is the requirement of your Life Stream alike. I ask each one to make the call for the maximum out-pouring of energy from his or her own Stream of Life that is demanded at this time and you will have fulfilled the requirement of Life. Do not feel that you must do some Super-human thing in order to release the maximum Power of your Life Stream. Instead, arise in the Wisdom of your Great Presence.

In reminding you that your Higher Mental Body is the Wise Intelligence that acts through you, remember It often, so you may not feel at any time that there is any lack of Intelligence or Power in your calls to do whatever is required.

I thank you and bless you forever, gentlemen, and may you feel My Currents of Light and Energy ever enfolding you to carry you forward in the Victory of what your Life wishes you to do. I thank you.

· SPECIAL NOTICE ·

This is to advise that those in charge of the school in Tenafly, N. J., which has been operating under the "I AM" Activities, have of their own free will withdrawn from Saint Germain's Instruction of the "I AM."

Therefore, Saint Germain and we, as His Messengers, withdraw our support, protection and further assistance to that school and request all loyal "I AM" Students to send their children to the "I AM" School in Los Angeles, which is standing loyal to Our Beloved Saint Germain.

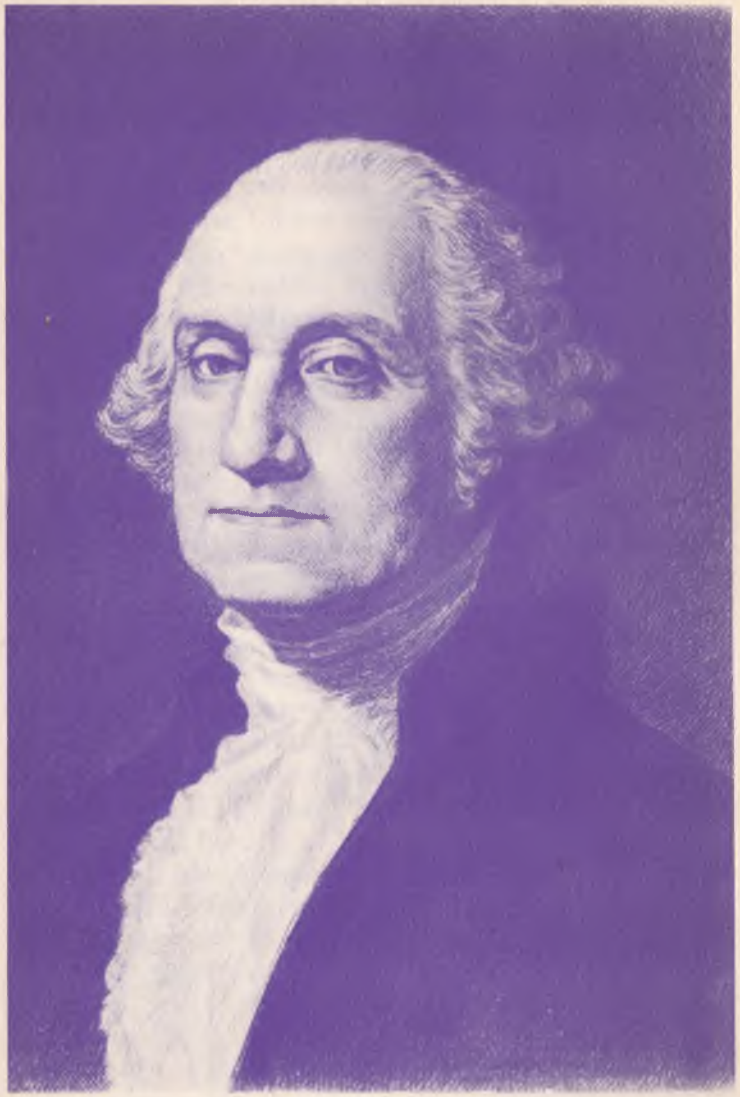
MR. AND MRS. G. W. BALLARD

· *DECREES* ·

"Mighty I AM Presence" and Great Host of Ascended Masters! You come forth and release whatever is required to enable me to carry my responsibilities honorably, to discharge my duties with full Perfection and to release through me more, more and more Power and Victory of Light and harmony to do greater and greater things for the enjoyment of myself, my fellow-man and the greater Perfection of the Universe.

"Mighty I AM Presence" take the last fragment of jealousy out of me and my world, known or unknown and replace it forever by the Ascended Masters' Limitless Focus of the Unfed Flame.

"Mighty I AM Presence," CHARGE! CHARGE! CHARGE! me and my feeling world, with Saint Germain's Ascended Master Consciousness, feeling and full gathered momentum of LIMITLESS ENTHUSIASM for the Light; His willing obedience to that Light and His Determination to stand IN and FOR that Light, so help me God, until I AM Ascended in Its Radiance.



· AMERICA! GOD'S LAND OF LIGHT ·

AMERICA this hour stands as a Sanctuary of Light to the whole world! It is the last surviving hope of mankind on this earth for the fulfilment of their call for Freedom and Happiness. Then, we must feel the full importance of protection to our Blessed Country and every constructive person and activity within It.

We positively can and must wipe out every force in our government and our people that would destroy the individual's hope and faith in the Constructive Power of mankind and the Universe.

Every problem of our government and the people can and must be handled only by the Constructive Powers of Life—the "Mighty I AM" and the Ascended Masters—or we will open ourselves to the combined discord in the rest of the world, which at present wants to destroy our Ideals of Freedom and Divine Justice in the True Democratic form of government.

A Power greater than human beings created this planet, supplied it with all good things and brought forth mankind upon it. That Power was and still is Super-human. We are breathing in Its Mighty Gift of Life and Light with every breath and heart-beat.

That Almighty Directing Intelligence of Cosmic Creation *is* great enough to solve Our Nation's problems and protect our people. That Supreme Wisdom and Power *is* greater than all mankind's destructive ideas or the vicious selfishness of individuals in any or all governments! It *is* the Almighty Power of Life—the "Mighty I AM Presence"!

Give It a chance by calling It into action—right in the midst of intrigue and treacherous conditions—to reveal Its Supreme Victory and Dominion over all that is unlike Its Perfection.

Blessed people of the United States of America, you and I and everyone who wants the Constructive Way of Life to be sustained on this earth must now make our supreme effort for the protection of America by this Super-human Power of Life; or you will have to handle destructive forces in our country by physical force. You and we do not want that. It is not necessary.

Take your firm unyielding stand to annihilate by the Power of Light everything that robs individuals of their hope and faith in a Supreme Intelligent Directing Power of Life and Light to control all human actions.

Every Constructive Activity in our country, our government or our people is the Power and Action of Light—the "Mighty I AM Presence"! Every good physical thing the government uses came through the activity of the people. All constructive activities of the people are the Intelligence and Power of Light—the "Mighty I AM."

Our government could not exist nor operate without the people. The people cannot continue to act without this Power of Life and Light. The whole structure of Our Country depends for its very existence upon "the Light of God that never fails." Then, let us blaze Its Power with such determination that the very intensity of the Light will force all that is not constructive out of our government, out of our country and out of every activity of our people forever!

The force of the physical sun is greater than all physical force on this earth. Just so is the force

of Light in the mental and feeling world of our people greater than the viciousness of a few individuals.

The people themselves can and must, from now on, arise and exert a force of Light powerful enough to stop every destructive plan that is being used to impose injustice and further limitation upon them.

The Ascended Masters and we have faith in the American people because the people who have been the real lovers of Freedom and Justice have been placed here by Life to protect those gifts for all mankind. Our early patriots gave their all and won those Greatest of Life's Gifts for you and me. If our good is to expand, we must protect and pass those Divine Blessings to all who follow in our footsteps.

Every thought, feeling, spoken word or act that causes any individual to lose faith in the Highest Ideals of Honesty, Honor and Purity of Life destroys the hope of mankind for happiness and Perfection.

The Ascended Masters and we are determined to hold America protected by the Power of Light and everyone who wants the Constructive Power of the Universe to rule, must now stand with a fierce determination that America and her people are not going to be sold out by vicious individuals into destructive conditions.

With all the Cosmic Power of Light and in the Name of the "Mighty I AM Presence" we say to all destructive individuals and activities on earth: "You have no power! and no weapon formed against this Light or anyone under this Radiation can ever prosper!"

· DECREE ·

"I AM" the Mighty Law of Divine Justice and Protection acting in the hearts and minds of individuals everywhere.

· DECREE ·

For Any City:

Mighty Beloved Infinite "I AM Presence," Great Host of Ascended Masters and all Great Beings and Forces of Light! all who guard the destiny of the City of Chicago! (or any city) release all the Power of Light at Thy Command and annihilate, annihilate, annihilate everything that binds these people here. Annihilate all fear, financial and otherwise! Annihilate the acceptance of every limiting condition in this blessed City of Light! Annihilate cause, effect, record and memory of everything in this City that is less than the Purity, Victory, Freedom and Perfection of the Ascended Masters! Replace every destructive condition by Saint Germain's, Jesus', Nada's and the Great Divine Director's, the Archangel Michael's, the Goddess of Light's Almighty Power of the Sword of Blue Flame, to keep consumed forever all that is less than Thy Light. Take possession, produce Perfection, hold Dominion and raise these people into Thy Victory, the Freedom of Light. Use Chicago's own motto, "I will!"—"I AM the Presence that says forever to the people of Chicago: I will! I will! I will! the Perfection of the Ascended Masters made physically manifest here and now and held eternally sustained." We thank Thee in the Name of the "Mighty I AM Presence," the people of Chicago accept It and rise eternally free in the Light.

Substitute the name of your own city when using this decree to produce Perfection.

· NEW MUSIC AND RECORDS ·

IT IS OUR great privilege and joy to announce the release of three new pieces of music by Godfré Ray King (our Beloved Mr. G. W. Ballard). Each is charged with a Special Power to accomplish the Victory of the Light and give the Ascended Masters' Blessing to those who use or hear these compositions.

OH, WORLD VICTORIOUS

This song has been given for the purpose of releasing an Almighty Power of Light to bring the Victory of Light everywhere throughout the world for the release of mankind from all distress of every kind.

The Great Ascended Masters have decreed that the world shall be Victorious in the Light now, and our Beloved Saint Germain is the Great Authority of the Violet Consuming Flame who is bringing this Victory.

The cover design shows the three Americas held within the Wall of Steely White Light encircled by the Wall of Blue Flame. The Three Great Cosmic Beings represent the Power of the Unfed Flame, blessing the world and pouring the Light Rays everywhere to the earth.

This very remarkable picture has been painted by our Beloved May DaCamara for the visualizing activity of the people everywhere; so they may hold the picture clearly in mind.

We ask all the students to feel the Great Power which this picture releases and every time the music is used, remember to send forth your decree for the Light to make the whole world victorious.

This song is dedicated to the City of Detroit.

THE VOICE OF THE PRESENCE

This song is an Out-pouring of Love and Blessing from our Beloved Cosmic Master, Harmony. It has been given as a powerful means of assisting all who sing, love or are interested in music or the holding of the Power of Harmony for the accomplishment of any Constructive Activity.

Especially is It charged with the Great Master Harmony's direct powerful Assistance to all who sing or desire to sing; and also those who are interested or active in any kind of Constructive Music. Picture on the cover design, has been painted by our Beloved May DaCamara.

The Power to bring Perfection into the voice of all who use this song or contemplate His Picture, is tremendously focused into it, and His Power pours through it directly to all who desire to receive His Radiation.

The Picture of Him is beautiful beyond words, and we want It and this song to bring a Blessing in the musical activity of everyone on earth that will lift mankind to Perfection forever.

THE SILENT SENTINEL

This song is a tribute of Love and Blessing to the beautiful Washington Monument at Washington, D.C. It is powerfully charged with the Ascended Masters' Light Rays to pour forth Their Blessing and Almighty Protection for our Beloved United States of America.

Every time this song is played, sung, heard or the picture contemplated, the Power of the Light goes forth into every activity of our government and our people to produce Perfection and hold It eternally sustained.

The picture of the Washington Monument in cherry blossom season has been painted by our Beloved Charles Sindelar, and is an ever sustained joy to all who contemplate its exquisite beauty.

These Songs are available through the Saint Germain Press.
Price, Each $1.00 Postpaid $1.15
